Tough Ironing Board

Engineered Series

Our super strong series is a result of extensive research and development with industry professionals and hotels, working closely to identify the needs, habits and often rough treatment of hotel ironing boards.

Rugged & Durable - We have combined a rugged frame with extra heavy duty metal components and robotic welds to withstand guests' tough and heavy use.

The ultimate strength ironing board.

- Tube Frame Legs 38mm/28mm
- Strong Double Handle Height Adjustment Lever
- Steam Flow Metal Mesh Top
- 2mm Foam and 5mm Felt Combination Padding
- Smooth Binding Edges to Withstand Fraying
