

EMBERTON™

New Generation  
**Ironing Centre System**  
Tough Board Series

New Generation  
**Ironing Centre System**  
Tough Board Series

Our **TOUGH BOARD™** series of engineered ironing centres offer rugged and strong boards, combined with advanced steam and dry irons - all to be stowed neatly on the wardrobe rail.

Each ironing centre is complete with a swivel holster unit, anti-theft cable lock and a choice of iron types.
